September 2015

## New Greenway Trail Under Construction

With a grant from the Carolina Thread Trail in the amount of \$86,400 the City will begin work this fall on our newest recreational addition. A 1.5 mile enhanced, natural surface greenway trail will be constructed along Lyle Creek. This nature trail, which has been on the city's long range plans for over a decade, will run from the new street recently constructed behind the Tri-City Baptist Church on Highway 16, west to County Home Road, then down to the entrance of the Ridge Pointe Apartments and 10<sup>th</sup> Street NW. A small parking lot on the new street will provide access for those driving to the trail. This trail will wind through the forest along Lyle Creek and allow the public to get close to nature and enjoy the outdoors. If you have any questions, or would like more information please contact the Conover Planning Department at 828-464-1191.

## Lyle Creek Greenway

## **Hear the Beep Where You Sleep:** **Every Bedroom Needs a Working Smoke Alarm**

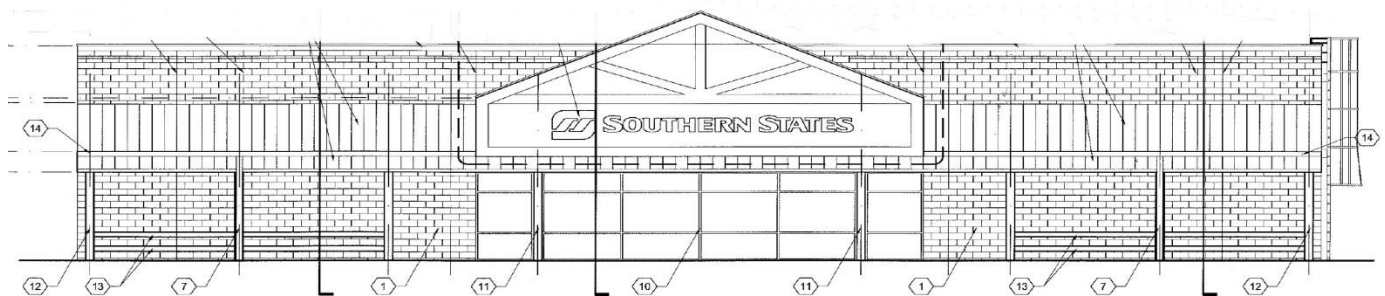

Every bedroom needs a working smoke alarm. If you didn't know that, you're not alone. An online questionnaire distributed by the National Fire Protection Association (NFPA) showed that 42 percent of approximately 36,000 respondents did not know that a smoke alarm should be installed in each bedroom of the home. Smoke detectors over ten years old should be replaced. If you have any questions, need a smoke detector installed or would like the Conover Fire Department to check your alarms, please call 828-464-1295.

---

## **Under Construction**

This August, the City of Conover issued a permit for a new Southern States retail store at 814 Conover Boulevard W. Construction is underway on the new 20,000 square foot retail store that will provide farm supplies, equipment and a variety of lawn and garden products.
